

Linssen 35 SL AC

Extremely charming Linssen. Compact model equipped with every comfort for 4 + 2 people.

For a 35-foot yacht, the boat has a surprising amount of living space and two cabins, each with a double bed.

Both cabins have a bathroom and an electric onboard toilet. On board, the VK has a separate shower stall.

The bright modern interior gives the salon a light, attractive and chic feel. The Linssen quality prevails here.

The kitchen is fully equipped and the boat can be delivered with the complete furnishings if desired.

The sailing characteristics are very fine, you maneuver with ease this chic yacht in a box or boathouse.

A remarkable detail is that yacht can be delivered without VAT. So very interesting as an investment for example in a Buy and Charter construction.

Ask about the possibilities!
