

Linssen Grand Sturdy 30.9 AC Brilliant Edition

Very charming Linssen yacht of the type Linssen Grand Sturdy 30.9 AC Brilliant-edition. Its modest size and the presence of a powerful bow and stern thruster make this motor yacht perfectly navigable and easy to handle.

This motor yacht offers a surprising amount of living space and features two sleeping cabins, each with a double bed. The pictures show this charming yacht without a convertible tent, but the yacht comes with a complete convertible tent, which can close off the entire aft deck and provide fine shelter. In the tent are large windows through which visibility during cruising remains excellent. The aft deck is furnished with a steering position and two settees with an original Linssen cushion set, which is weatherproof.

Midship is the fully equipped pantry and a generous seating area with a fine dining table. The L-shaped settee is equipped with the Linssen Easy Sleep Convert System, which means that you can convert this settee into a fully-fledged extra double bed in the blink of an eye. You can comfortably sleep 6 people on this smart motor yacht.

In the rear cabin, the second bathroom has been removed and has been originally fitted with plenty of storage space and cupboards.

This Linssen is equipped with an original cherry wood interior, combined with light panels which gives the yacht a pleasant atmosphere and a lot of light in the saloon; a very tasteful combination.

Powered by a powerful Volvo engine and a complete navigation package, you can spend a lot of pleasant time on the water.

This Linssen Grand Sturdy is ready for sale in Sneek. Feel free to call for a no-obligation viewing.
