

Linssen Grand Sturdy 40.0 Sedan INTERO

Very spacious and charming sedan model from Linssen Yachts. Sublime sailing characteristics, very easy for anyone to handle. The yacht is equipped with a quiet Volvo D3 drive and a full navigation package. The typical Linssen look with maritime wheeling around the yacht gives this yacht a sympathetic and original appearance.

On the port side is the steering position with a complete navigation package and a bow and stern thruster. The yacht features a spacious forward cabin with a double bed with a slatted bed base and quality mattresses. Midships there is a second cabin with two single beds. The galley is spacious and equipped with a stove a large refrigerator with freezer and a gas oven. Throughout the yacht is extremely ample closet space. In the salon there is a spacious settee equipped with the easy sleep system; a simple operation creates two extra beds. The salon offers a nice atmosphere with its beautiful light paneling and generous light. The open cockpit, which extends into the salon with folding doors, is a very spacious corner seat with an original Linssen cushion set and a robust fixed table on two high-gloss stainless steel legs. This space is fully lockable and heatable and can easily accommodate at least eight people.
